In the meeting various points were focused related to academics and have taken review of previous IQAC meetings. It was noted that multiple events organized systematically in different departments however smooth conduction and improvements of academics and administrative activities following points were discussed:

The following points were elaborately discussed

1. Principal and Dean, Academics recommended to improve Practical hands-on of the students to get maximum benefits of the external and internal assessment which will directly or indirectly will improve performance of the students.
2. The respective departmental HoDs advised to motivate to the students to improve participations in cultural activities e.g. Purshotam Karandak which will improve extracurricular activity of the student.
3. In this meeting strong discussion was held as per the previous suggestions from industrial stake-holder about upgradation of classrooms and laboratories etc.
4. The evaluation of the existing teaching aids and facilities were discussed with panellist of the IQAC members. Principal Sir was given excellent supportive guidelines to improve teaching methodology as per the modern teaching aids.
5. It was discussed that there is still a need to improvement on the strict follow-up of maintenance schedule during rainy season.
6. The library facility was discussed in the meeting; students had given tremendous response at the time of the extra lectures as well as proper utilization of the library facilities.
7. There was short discussion about transport facilities offered by the institute to the students.
8. There was great discussion held about discipline of the students in the hostel and the premises of the college.
9. The mess facility, canteen facility discussed at the end of the meeting.
